Chapter 1 Basic Information about Institute

1.1 History and Basic Information of Institute

The institute campus is well developed with latest facilities & modern amenities. The informal and harmonious campus life offers opportunities for the students to pursue their studies, do their work as well as various extra- curricular activities. The campus, situated at Gorakhpur-Lucknow bypass, is conveniently connected to all destinations in Gorakhpur City.

KIPM-College of Engineering have been established under the aegis of Ashutosh Shiksha Evam Sewa Sansthan in the benevolent guidance and leadership of Er. R. D. Singh (President of the Society), to provide quality education to the students of Engineering. The Promoters are driven by an objective that our students need to be highly accomplished, enterprising and committed citizens so that they deliver the best values. In order to achieve such an objective, we follow well-designed and professionally formulated way of doing things supported by proficient and experienced teachers, a set of adequate infrastructure, and good ambience. The Institute is ISO 9001:2008 QMS Certified for all of its courses.

1.2 Establishment (2012)

KIPM-College of Engineering and Technology has been established in the year of 2012 under the aegis of Ashutosh Shiksha Evam Sewa Sansthan in the benevolent guidance and leadership of Er. R. D. Singh (President of the Society), to provide quality education to the students of Engineering. The Promoters are driven by an objective that our students need to be highly accomplished, enterprising and committed citizens so that they deliver the best values. In order to achieve such an objective, we follow well-designed and professionally formulated way of doing things supported by proficient and experienced teachers, a set of adequate infrastructure, and good ambience. The Institute is ISO 9001:2008 QMS Certified for all of its courses.

The college offers diploma and undergraduate programs in engineering. The undergraduate courses offered by the college include Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Computer Science & Engineering (AI&ML), Mechanical Engineering, and Civil Engineering. The diploma courses offered by the college include Mechanical Engineering, and Civil Engineering. The Institute has a well-equipped campus with state-of-the-art infrastructure, including spacious classrooms, well-equipped laboratories, a well-stocked library, sports facilities, and a student activity center. The college has a team of experienced and highly qualified faculty members who impart quality education to the students. The faculty members use modern teaching methods, including lectures, practical sessions, group discussions, and seminars, to make the learning interactive and interesting.

The college also provides various facilities to its students, including a hostel, transport, medical facilities, and a canteen. The college has a well-organized placement cell that helps the students to get

placed in top companies. The placement cell conducts various training programs, workshops, and seminars to prepare the students for the placement process.

The college also encourages the students to participate in extracurricular activities, including sports, cultural events, and technical events. The college has various clubs and societies that organize various events throughout the year. The college also organizes an annual fest, which is a platform for the students to showcase their talents and skills.

In conclusion, KIPM College of Engineering & Technology is a well-established institution that offers quality technical education to its students. The college has a well-equipped campus, experienced faculty, and a well-organized placement cell. The college provides various facilities and encourages the students to participate in extracurricular activities. The college aims to produce competent professionals who can contribute to the development of the country.

1.3 The Society ASES Sansthan

The Ashutosh Shiksha Evam Sewa Sansthan Registered under Societies Registration Act No.21/1860 (Registration No. 2431/1988-89) Ashutosh Shiksha Evam Sewa Sansthan has adopted multisectoral, multi constituency, and integrated approach in its plans and policies. It attempts to make a positive difference to the quality of lives of the Purvanchal populace. And, through comprehensive development strategies to influence policies, build local capacities, and empower communities in core areas such as health, nutrition and education.

One of the main focuses of Ashutosh Shiksha Evam Sewa Sansthan in the present time is to develop institutions for graduate and post-graduate level studies. In this context, it has taken a pioneering step towards providing management & pharmacy education through its newly established Kailash Institute of Pharmacy and Management & KIPM-College of Management as these fields offer some of the most promising avenues for a successful and satisfying career.

The Institute will open the doors of employment-oriented courses to hundreds of students. A team of experienced experts shall implement these courses with the highest quality and modern well-equipped laboratories shall keep the learners abreast with the latest developments and techniques. Also, the reasonable fee structure will be helpful to candidates from all socio- economic background.

The Ashutosh Shiksha Evam Sewa Sansthan is also working in different fields by organising camps in areas of District Gorakhpur, Gautam Buddha Nagar, Sant Kabir Nagar, Basti, Deoria & Maharajganj in Uttar Pradesh.

1.4 Approval & Affiliation

- KIPM College of Engineering and Technology is duly approved by All India Council of Technical Education (AICTE), New Delhi.

- The UG Programme of our institute is affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow formerly known as Uttar Pradesh Technical University (UPTU), Lucknow.
- The Diploma Programme of our institute is affiliated to Board of Technical Education Uttar Pradesh (BTEUP), Lucknow.

KIPM College of Engineering and Technology ensures that the students get benefited from the state of art education, and opportunities to excel in their chosen fields.

1.5 Life @ KIPM

The institute campus is well developed with latest facilities & modern amenities. The informal and harmonious campus life offers opportunities for the students to pursue their studies, do their work as well as various extra- curricular activities. The campus, situated at Gorakhpur-Lucknow bypass, is conveniently connected to all destinations in Gorakhpur City.

1.5.1 Central Library

KIPM College of Engineering & Technology Library is an invaluable resource for students, providing a rich collection of books, journals, and digital resources. With a dedicated space housing 10 computers, students have convenient access to digital resources, research databases, and academic tools. With a conducive and modern environment, it offers a comfortable space for studying, research, and academic exploration. Furthermore, our library is seamlessly integrated with various online platforms, providing students with an extensive range of resources. These online platforms encompass e-books, academic journals, research papers, and multimedia content, enabling students to explore subjects comprehensively. It serves as a hub for learning, fostering intellectual growth, and empowering students with the tools they need to excel in their studies.

1.5.2 Seminar Hall

KIPM College of Engineering & Technology have well-furnished seminar hall stands as a pinnacle of modernity and functionality, designed to facilitate impactful presentations, workshops, and lectures. With its air-conditioned comfort and soundproof walls, the environment remains conducive to focused learning and exchange of ideas. Equipped with a top-tier sound system, the seminar hall ensures crystal-clear audio, eliminating any distractions. This enhances the immersive experience for the audience, allowing them to engage deeply with the content being presented. The smart board technology adds an interactive dimension, making the learning process dynamic and engaging.

1.5.3 Cafeteria

Our cafeteria is a pristine haven that prioritizes hygiene, comfort, and well-being. Immaculately maintained, it reflects our commitment to providing a clean and healthy dining environment for all patrons.

The seating arrangement is carefully thought out to ensure comfort and efficiency. Well-spaced tables and chairs accommodate various group sizes, facilitating conversations and interactions. The cafeteria's design promotes a relaxed ambiance that encourages both solitary reflection and lively discussions.

1.5.4 Guest House

Our guest house offers a comfortable and welcoming stay for visitors, equipped with modern amenities to ensure their convenience and relaxation. Each room in the guest house features air conditioning, providing a pleasant and controlled environment, regardless of the weather outside.

To enhance the comfort of our guests, each room is also equipped with a well-designed and well-maintained attached washroom. This private facility ensures that guests have easy access to personal hygiene essentials, allowing them to refresh and rejuvenate at their convenience.

The guest house is meticulously designed to cater to the needs of travelers, providing a peaceful retreat after a day of activities. Whether for academic conferences, workshops, or other events, our guest house promises a comfortable and refreshing stay for all visitors.

1.5.5 Medical Facility

The medical facility at our institution stands as a cornerstone of student well-being and health care. With a dedicated focus on ensuring the physical and mental well-being of students and staff, this facility provides essential medical services, guidance, and support, staffed by experienced medical professionals, the facility offers comprehensive healthcare services, including regular health check-ups, consultations, and first aid. It is equipped with essential medical equipment to promptly address emergencies and minor medical concerns. It provides guidance on maintaining a healthy lifestyle, managing stress, and preventing common health issues.

1.5.6 Radio Gorakhpur FM 90.8

Our community Radio 90.8 is a dynamic and vibrant platform that serves as a powerful voice for local communities. Broadcasting on the frequency 90.8, it plays a pivotal role in fostering communication, education, and cultural exchange within the community it serves. This community-oriented radio station is a hub of information, entertainment, and engagement. It serves as a bridge between the community and the broader world, giving a platform for discussions on issues ranging from health, education, and social welfare to local events and cultural practices. Through engaging talk shows, music, interviews, and informative programs, the station creates a sense of unity and shared identity. Community Radio 90.8 is not just a broadcast medium but a catalyst for change, dialogue, and inclusivity, making it an essential part of the community's fabric.

1.5.7 Innovation Cell

KIPM-CET has been at the forefront of promoting creativity and incubating business ideas to provide an atmosphere where its students and faculty can explore their potential. As students are engaged in generating and implementing innovative ideas for solving problems of the real world, faculty of the college are continuously finding ways to launch business ideas to influence society. The Innovation Cell at our engineering college is a hub of creativity, ideation, and transformation. Through workshops, seminars, and interactive sessions, the Innovation Cell empowers students with the necessary skills, knowledge, and mindset to solve real-world challenges. It prepares students to become innovators, disruptors, and leaders who can positively impact industries and society as a whole.

1.5.8 Computer Center

Our computer center stands as a pinnacle of technological advancement and innovation, equipped with over 350 computers. With a seamless blend of cutting-edge technology and ergonomic design, this center offers a dynamic and conducive environment for learning, research, and exploration. The air-conditioned facility ensures a comfortable and distraction-free atmosphere, allowing students and faculty to focus on their work without disruptions. Each computer is equipped with the latest software and high-speed internet connectivity, empowering users to delve into the digital realm with ease.

1.5.9 Transport Facility

Our institution offers a comprehensive transport facility that ensures convenient and safe commuting for students and staff. With a fleet of well-maintained vehicles, the transport service covers various routes, connecting different parts of the city to the campus.

Safety is a paramount consideration, with the vehicles equipped with modern safety features and GPS tracking systems. Trained drivers ensure a comfortable and secure journey for everyone. The transport facility enhances accessibility, making it easier for students to reach the campus without the hassle of navigating public transportation. This service is particularly beneficial for those residing farther away from the institution. Apart from simplifying commuting, the transport service reduces traffic congestion and contributes to a greener environment by minimizing individual vehicle use.

1.5.10 Sports

The sports facilities at our engineering college are designed to promote physical fitness, sportsmanship, and holistic development among students. Our campus boasts a range of state-of-the-art sports amenities that cater to various interests and skill levels.

From well-maintained sports fields, courts, and tracks to dedicated indoor facilities, our institution offers a wide array of options. Students can engage in sports like cricket, volleyball, badminton, and athletics, fostering a sense of teamwork and healthy competition.

Sports coordinators guide and mentor students, helping them enhance their skills and reach their athletic potential. Regular tournaments and intercollegiate competitions provide platforms for students to showcase their talents and build a strong sports community.

1.5.11 ATM

The presence of an ATM on our engineering college campus offers convenience and financial accessibility to students, faculty, and staff. This modern amenity caters to the financial needs of the college community, allowing easy cash withdrawals and transactions. Students can conveniently withdraw cash for various purposes, including paying fees, purchasing essentials, and managing day-to-day expenses. Faculty and staff members also benefit from the on-campus ATM, facilitating quick access to funds. The ATM is strategically located in a central area, ensuring its accessibility to everyone. This facility saves time and effort for individuals who might otherwise have to travel off-campus for their banking needs.

1.5.12 Security

Ensuring the safety and security of all individuals within our engineering college is paramount. Our institution employs a team of efficient and trained security guards who play a vital role in maintaining a secure environment.

These guards are strategically stationed across the campus, monitoring entrances, exits, and key areas. Their vigilant presence deters potential threats and ensures that unauthorized individuals do not gain access to the premises.

Equipped with communication devices and trained in emergency response procedures, the guards are prepared to handle any situation that may arise. They assist in maintaining discipline, managing crowd flow during events, and providing assistance to students and staff.

1.5.13 Conference Hall

Our well-furnished and air-conditioned conference room stands as a versatile space designed to accommodate a range of professional and collaborative activities. This space has been meticulously designed to ensure optimal functionality and comfort.

With soundproofing technology, the meeting room offers an environment conducive to focused discussions and presentations. The isolation from external noise ensures that participants can engage in meaningful conversations without distractions.

Equipped with a state-of-the-art sound system, presentations, discussions, and workshops are enhanced with clear and crisp audio quality. This technology guarantees that every participant can follow and contribute effectively. The round table setup fosters inclusivity and encourages open dialogues.

1.5.14 High Speed Internet

Our institution is at the forefront of technological innovation, offering a cutting-edge digital experience with high-speed internet connectivity exceeding 300 Mbps and 5G Wi-Fi coverage spanning the entire campus.

This exceptional internet speed ensures that students, faculty, and staff can seamlessly access online resources, conduct research, and engage in virtual learning without any lag or disruptions. Whether it's downloading large files, streaming lectures, participating in video conferences, or conducting real-time research, our high-speed internet empowers every member of our community to stay connected and efficient.

1.5.15 Hostels

Our hostel facility is designed to provide a comfortable and conducive living environment for students, offering a range of amenities that enhance their overall well-being.

The flooring of our hostels is meticulously maintained, reflecting our commitment to cleanliness and hygiene. Neat and well-kept flooring creates a positive atmosphere, contributing to a peaceful and organized living space.

Proper ventilation is a key feature of our hostels. Ample windows and ventilation systems ensure a steady flow of fresh air, preventing the buildup of stale air and promoting a healthy indoor atmosphere.

1.5.16 GYM

Our college gym is a hub of physical fitness and well-being, catering to the holistic development of our students. With a wide array of modern fitness equipment and facilities, it offers students the opportunity to engage in regular exercise and lead a healthy lifestyle.

The gym's energetic and motivating atmosphere encourages students to prioritize their health and fitness. It serves as a space where they can relieve stress, improve their physical endurance, and enhance their mental well-being.

1.5.17 Parking

Commitment to convenience, safety, and efficient management. This space has been meticulously designed to accommodate the parking needs of our students, faculty, and staff while ensuring a smooth and organized flow of vehicles.

Clearly marked parking spots, designated lanes, and proper signage contribute to a systematic parking arrangement. This not only minimizes congestion but also ensures that vehicles are parked securely and without obstruction.

1.5.18 Green Energy

Our institution proudly houses a 100kW solar power plant, standing as a beacon of sustainable and green energy. This eco-friendly installation harnesses the power of the sun to generate clean electricity, significantly reducing our carbon footprint and contributing to a greener future.

By utilizing solar panels, this power plant converts sunlight into renewable energy, offering a reliable and consistent source of electricity. This form of green energy not only reduces our dependence on conventional energy sources but also helps in mitigating the harmful effects of fossil fuel consumption.

1.6 Vision and Mission of the Institute

1.6.1 Vision

To be a centre of excellence in technical education and research to produce professional minds with human values and ethics to serve the society by engaging in industrial, scientific, innovative, academic and entrepreneurship activities.

1.6.2 Mission

- To provide quality education to achieve excellence in teaching – learning and researches.
- To impart skill-oriented trainings to meet the need of the industry and society.
- To undertake collaborative projects with industry and academia.
- To promote an environment which facilitates creativity, innovation, team spirit and entrepreneurial leadership.
- To promote effective interaction of students, faculty, and stakeholders with industry personnel, alumni and academicians of other institutions of repute.
- To promote co-curricular and extra-curricular activities for overall personality development of the students.

1.7 Message from the Chairman

Er. R. D. Singh

Chairman
KIPM Technical Campus

" We cannot always build the future for our youth,
but we can build our youth for the future."

- Franklin D. Roosevelt

It rejoices and gives me immense pleasure to present KIPM Technical Campus for the society. The sole objective of establishing KIPM is to train students in the field of Engineering and Technology and to cope up with the latest technological trends.

Our vision is based on hard work, open communication, and strong emphasis on teamwork with high level of responsibility. This visionary culture allows and emphasizes our students not only to adopt the present-day challenges but also individual responsibilities to the society and our nation at large.

In my own view Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learners to acquire and apply their knowledge, the whole process will remain superficial. Any engineering institution worth its name looks to optimize the productivity of global leaders. Our institution has set specific objectives and planned activities for achieving excellence in all spheres of technical education, research, and innovation.

I congratulate you for your decision for being associated with KIPM and enabling us of shaping your future. shape your career with us and to this noble service and providing us an opportunity to prepare you to this dignified profession. We seek active involvement and support of the students and their parents in this endeavor.

Thanking You

1.8 Message from the Secretary

**Mr. Vinod Kumar
Singh**

Secretary, KIPM
Technical Campus

“If four things are followed – having a great aim, acquiring knowledge, hard work, and perseverance – then anything can be achieved.”

- DR. A.P.J. ABDUL KALAM

The entire intellectual community of the world has woken up to the reality that India is a treasure-house of talent and intelligence. The youth of today are taking India to unparalleled heights of prosperity. The only raw material essential to this great turnaround is EDUCATION, because knowledge is power. Keeping in mind, I assure the students joining KIPM Technical Campus, that they will be given the best education to enable them to learn and lead the future with confidence as responsible citizens of the country.

Our students have infiltrated into all sectors be it government, private or public to serve the country in various capacities. Our competent faculty and the State-of-The-Art infrastructure together with special focus on industrial visits, seminars and workshops and compulsory internship programme at an industry of repute help our students in developing their overall personality to meet the challenges at global level and come out with the optimum solutions.

It is my strong belief that given an opportunity, the students of this great temple of learning will prove an asset to the recruiting organizations. We extend a warm invitation to the organizations/companies looking for budding engineers to visit our serene campus for a possible human resource par excellence. We are also looking for mutual association and collaboration with the industry at various other levels, for example, guest lectureships, workshops, laboratory mentorships, joint R & D projects etc., and would highly appreciate industry participation in this endeavor.

Thanking You

1.9 Message from the Director

**Prof (Dr.) Suryakant
Pathak**

Director KIPM-College of
Engineering & Technology,
GIDA, Gorakhpur

To cater the educational needs of the students and society the college will be committed to generate, disseminate, and preserve knowledge, and to working with others to bring this knowledge to bear on the country's great challenges. It will be dedicated to providing its students with an education that combines rigorous academic study and the excitement of discovery with the support and intellectual stimulation of diverse stakeholders. Being a head worker of the college, I will be looking forward to develop in each member of the KIPM College of Engineering and Technology community the ability and passion to work wisely, creatively, and effectively for the betterment of humankind. "Engineers and Managers are the building blocks of Nation and play a dominant role in Economical, Educational and Social development. These streams of education must go forward to keep pace with mighty changes 'Occurring today in business, industry, and society' Engineers must develop attributes and knowledge beyond traditional constraints of the classroom.

Technical education must be designed to accommodate current trends and future needs. Engineering education creates more connections and stronger partnership with the global society in which we are embedded. We examine the relevance of curricula enhancing the flexibility and strive for the fulfilment of university, college, and professional missions. Our Management has foreseen developing adequate infrastructure, world class library, classrooms and state-of-art laboratories, libraries with internet, excellent computer center, sports, canteen, bus and necessary facilities for the students and staff. We encourage teaching, training, research and consultancy and industry-institute interaction for balanced growth of the students and the staff. We ensure quality, equality, relevance and excellence in education by promoting intelligence, talents, creativity, innovative ideas and practices among students. We focus on confidence building, industry exposures, enhancing communication skills and personality development. Anticipating your continuous feedback to improve the whole system.

1.10 Message from the Additional Director

Dr. M. Z. R. Khan

Additional Director KIPM-
College of Engineering &
Technology, GIDA,
Gorakhpur

KIPM College of Engineering & Technology, having a glorious legacy of almost 11 years since its inception, has been one of the leading institutions of higher technical education in the Purvanchal region. This institution of higher learning has contributed immensely to nation building by providing intellectual talent having the latest analytical, design, practical and managerial skills.

Our students have made a mark in all sectors including government, private and public sector to serve the nation in various capacities and meet all kinds of global challenges in the field of technology and management.

Over the years, our alumni have made this institution a renowned name in the world of academia and industry. I acknowledge the efforts and faith of all the stakeholders for their continued support in helping the college reach higher goals and glory. I firmly stand that our students will prove to be an asset to the recruiting organizations.

I am delighted to invite organizations/companies, parents and alumni to visit our serene campus to share their valuable inputs and nurture a long-lasting bond. We strive for mutual collaboration and collaboration with industry for guest lectures, workshops, laboratory mentorship, joint R&D projects etc. and would highly appreciate the participation of industry in this endeavor.

Thanking You

1.11 Message from the Assistant Director

Mr. P. C. Srivastava

Assistant Director, KIPM-
College of Engineering &
Technology, GIDA,
Gorakhpur

"A desire can change nothing, a decision can change something, but a determination can change everything".

It is my pleasure to welcome you to KIPM College of Engineering & Technology, Gorakhpur, an Institution that is established in 2009 under the aegis of 'Ashutosh Shiksha Evam Sewa Sansthan'. The evolution of the institute over the past 12 years has witnessed strong blend of state-of-the-art infrastructure and intricately intertwined human resource committed to provide technical education with thrust on creativity and innovation.

Our special emphasis is on Outcome Based Education (OBE) and Experiential Learning. The academic activities concentrate on helping the students to gain an excellent theoretical knowledge base and in the development of skills to implement them. We are constantly reviewing our set up to update and improve while making sure that students gain thinking skills, analytical frameworks, entrepreneurial skills, interpersonal and communication skills.

KIPM has established a strong bond with both industry and academia. We have signed MOUs with universities and are in close contact with number of industries. We at KIPM have very strong and competent faculty members, good number of our faculty members are from IITs and NITs. To increase research, innovation and startup related activities number of Ph.D. candidates have also joined us.

The motivating environment in KIPM for knowledge assimilation, generation, and dissemination with a sense of social responsibility, human values and concern for social commitment has carved a niche for itself among the best technical institutes.

Thanking You

1.12 Message from the Dean Academics

**Dr. Puneet Kumar
Srivastava**

Dean Academics, KIPM-
College of Engineering &
Technology, GIDA, Gorakhpur

“If you fail, never give up because F.A.I.L. means ‘First Attempt in Learning’. End is not the end; in fact, E.N.D. means ‘Effort Never Dies’. If you get No as an answer, remember N.O. means ‘Next Opportunity’. So, Let’s be positive.”

- DR. A.P.J. ABDUL KALAM

It is matter of indeed pleasure for me to welcome all the stake holders of the college including our students. Our institute is glorified by the success histories of our students which is result of our integrative and strategic planning and efforts. As the Dean of this Institute, I ensure that the development and implementation of effective strategies for new initiatives, policies & procedure, accomplishments, and other concerned items for the entire fraternity are constantly happening.

Taking the Institute to such heights where it can compete and represent itself at the Community, State, National and International levels always remain the prime focus of the strategic planning. Constant review and upgradation of the equipment used in Instructional and academic programs is also ensured. Overall, the Institute continuously strives to fulfil the aspirations of every student associated with us.

Our Aim is not only to inculcate knowledge, Intelligence, wisdom, but also to provide skills to equip students to face the challenges of the world. We always encourage our students to express their hidden potential in various Socio-cultural and academic platform to become socially responsible and seasoned citizen whenever they returned to their professional and personal life.

Thanking You

1.13 Information Regarding Affiliating University (AKTU)

1.13.1 Establishment

Dr. A.P.J. Abdul Kalam Technical University (AKTU)(formerly UPTU) was established by the Government of Uttar Pradesh, vide Act Amendment No. 1156(2) LXXIX-V-1-15-1(Ka), 24-2015 dated Sept 9, 2015 Uttar Pradesh Adhiniyam Sankhya 23 of 2000. Under the University Act, 'Technical Education' includes programmes of education, research and training in Engineering, Technology, Architecture, Town Planning, Pharmacy, Applied Arts & Crafts and such other programmes and areas that the central Government may in consultation with All India Council for Technical Education (AICTE) by notification in Gazette declare.

1.13.2 Affiliation

The University is affiliating in nature and its jurisdiction spans the entire state of U.P. in affiliating B.Tech., M.B.A., M.C.A., B.Arch., B. Pharma., B.H.M.C.T., M.Tech. and Ph.D. programmes in 764 colleges/institutions imparting graduate, postgraduate and doctoral level training in all government and private institutions located all over U.P. in engineering, technology, architecture, pharmacy, hotel management and catering technology as well as M.B.A. and M.C.A. programmes.

1.13.3 Grandiosity

U.P. being the largest state of India with an area of around two lacs forty thousand square kilometers and population of more than 165 million people makes AKTU as one of the largest technical universities not only in India but perhaps in Asia. Because of its gigantic size and number of colleges affiliated to it and geographic dispersion, it has been sub-divided into five zones with 150-160 colleges in each zone for the ease of management and facilitating inter-zonal comparison and possible internal competition to enhance quality of teaching-learning processes.

AKTU envisions to facilitate and nurture the quality of technical education and research in its own premises as well as all affiliating institutions. The total number of affiliated colleges was 49 in the year 2000 which has now gone up to 756 and the University is still growing. The University Conducts State level Entrance Examination U.P.S.E.E. for admission to various programs in institutions affiliated to AKTU and some Universities of U.P.. The University conducts central examinations in each semester for all the affiliated colleges and institutions and declares results quickly using technology-enabled systems. At present around 4,00,000 students are enrolled in its various programmes.

1.13.4 Reconstituted

AKTU was reconstituted as "Gautam Buddha Technical University, Lucknow" and "Mahamaya Technical University, Noida" on 1st May 2010 through amendment of U.P. Govt. vide act no. 05 of 2010, Subsequently U.P. Government again combined the Gautam Buddha Technical University and

Mahamaya Technical University with effect from 1st Nov. 2013 vide amendment act 21st of 2013 and reconstituted A.K.T.U. Lucknow.

1.13.5 AKTU

AKTU is currently located at Sec-11, Jankipuram, Vistar Yojna, 226031 in the Capital of U.P. at Lucknow but is in the process of having its own Headquarter building in its vicinity. AKTU also has a NOIDA Centre to facilitate closer academic and industrial interaction around that zone where a prominent cluster of private affiliated colleges exists.

1.13.6 Vision & Mission

1.13.6.1 Vision

To become an outstanding technological university at the cutting edge of technology that fosters and world-class knowledge dissemination, research, extension and leadership in technology innovation for industry and society.

1.13.6.2 Mission

- To advance knowledge and educate students in science, technology, and other areas of scholarship that will best serve the nation in the 21st century.
- To empower our students to add value to their professional fields and contribute to social progress with their entrepreneurial spirit and ethical values.
- To develop a culture that encourages risk-taking, entrepreneurship and flexibility and by embracing change in the interest of organizational effectiveness.
- To provide our students with a holistic education and shape leaders and professionals who are prepared to respond to the demands of a global world.
- To prepare all students for lifelong learning and successful careers based on ethical foundation

1.14 Course Offered

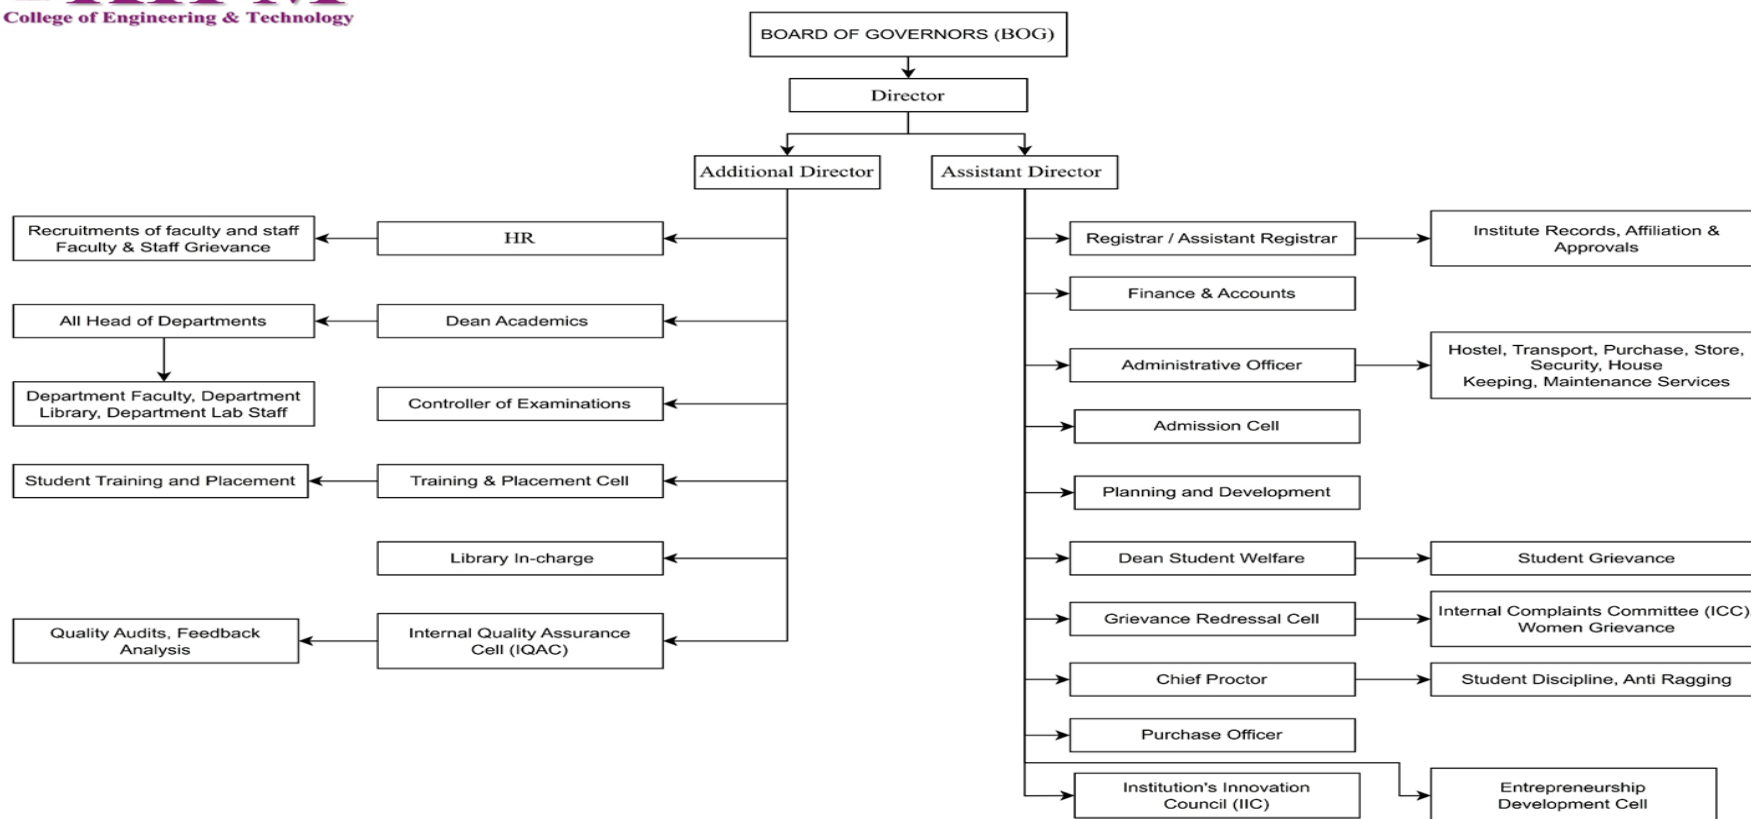

For Undergraduates	B.Tech in Computer Science & Engineering (60 Seats)
Four Year Course	B.Tech in Electronics & Communication Engineering(60 Seats)
	B.Tech in Electrical Engineering (60 Seats)
	B.Tech in Civil Engineering (30 Seats)
	B.Tech in Mechanical Engineering (30 Seats)
	B.Tech in Computer Science & Engineering (AI & ML) (60 Seats)

For Diploma	Diploma In Civil Engineering (60 Seats)
Three Year Course	Diploma In Mechanical Engineering (60 Seats)

1.15 Organization Structure

Chapter 2 Department's profile with infrastructure & Facilities

2.1 Applied Science & Humanities Department

2.1.1 About the Department

Department of Applied Sciences & Humanities was established in the year 2012, with the objective of imparting quality education in the field of Applied Sciences & Humanities as the foundation to engineering. The department aims to create an ethical workforce for industries with complete personality. With rapidly evolving technology and continuous need for innovation, the department has always produced the quality engineers, holding important positions in India and abroad.

2.1.2 Vision

To provide bedrock to the engineering departments of the institute by informing and motivating the students to decipher and exercise the cardinal aspects of Applied Sciences in engineering and technology and preparing the analytical ability of the students with fundamentals of humanities and management sciences.

2.1.3 Mission

The mission of the Applied Sciences and Humanities Department is:

1. To professionally strengthen the fundamentals of basic sciences for laying the foundations of engineering education.
2. To groom the students compatible with the global technical workforce, building confidence, character, and human values.
3. To upgrade the quality teaching-learning process as per the future demand and produce energetic entrepreneurs and engineer ready to face engineering challenges of the nation.

2.1.4 Message from Head of the Department

 <p style="text-align: center;">Dr. Harendra Chauhan Head of Department Applied Sciences & Humanities</p>	<p style="text-align: center;">HOD's Message</p> <p>In this post-modern fast paced technically oriented world, where applied learning is becoming the basic need of the hour to keep the core strengthened, in order to employ the applied courses. The vision of the department is particularly in this context to assist the students to the best of its ability to achieve their goal, and to become venerable Engineers & Technocrats. So, I look forward to implement the projects to make ASH an empowered & indispensable pillar of KIPM college of Engineering & Technology.</p> <p>Thank you for visiting us.</p>

2.2 Civil Engineering Department

2.2.1 Overview

The Civil Engineering Department was established in 2012 with the objective of providing quality education to graduating engineers. The objective of our department is to meet the international standard of education in the field of civil engineering. We produce high quality civil engineers from our educational institution. In this constant change of technology, the department has always produced quality engineers who are contributing to the growth of India and abroad.

Civil engineering is a branch of engineering that deals with the design, construction, and maintenance of the physical and natural built environment, such as bridges, roads, canals, dams, and structures. The Department of Civil Engineering employs highly trained and experienced personnel who assist in reawakening latent inquisitiveness in students' brains. Theoretical and experimental considerations are also addressed. The department features a well-developed infrastructure, including distinct classrooms and well-equipped laboratories.

2.2.2 Vision

The vision of the department is to become a leading center of excellence in civil engineering education which will be highly recognized at national and international level as well as contributing to the technology for the sustainable development of the society.

2.2.3 Mission

M1 - Educating and improving the level of thinking of students, which can help them to understand and increase the power of observation in various fields of civil engineering.

M2 - To provide a holistic environment so that our graduates can easily adapt and get moulded in a professional environment.

M3 - To develop an ethical attitude, skill, team work and ability to relate engineering issues to social context.

2.2.4 HOD's Message

Welcome to the department of civil engineering, it is an honor for me to welcome the keen learning generation of modern India to a prestigious dorm of knowledge. This department has a very strong undergraduate program. The department program is focused on providing not only technical knowledge but also to encourage the student to be more innovative.

The department has been able to foster this distinguished approach with the help of the staff, has excellent credentials and a promising outlook. The faculty is well groomed and has publications in

multiple journal and conferences proceedings. It gives me immense pleasure to lead such a prestigious and complete department in every manner.

I congratulate the teaching and non-teaching staff and students for their brilliant effort in making the department. I wish all of you a great academic career ahead. Thank you for visiting us !

2.3 Computer Science & Engineering Department

About the Department: The Department comprises experienced, self-motivated, dynamic, and highly experienced faculty members. Most of them are Ph.D. in different areas of Computer Science and Engineering & others are in their advanced stage of completing the doctoral degree. Department labs equipped with state-of-the-art computing facilities and infrastructure requirements. Our main strength is our programming culture. Teaching pedagogy emphasizes programming skills nurtured through contemporarily designed laboratory courses and minor/major projects.

2.3.1 Vision of Department

To become a centre of quality education with a meticulous curriculum of research and innovations in Computer Science and Engineering, producing well-qualified engineers to the ever-changing industrial demands and social needs and developing entrepreneurial and start-up skills.

2.3.2 Mission of Department

MD1: To impart technical and innovation skills with research and education to achieve academic excellence in computing.

MD2: To induce the spirit of analysis, teamwork, professional ethics, and leadership qualities among the students.

MD3: To edify innovative research to serve the industry, government, and society.

MD4: To prepare professionals in different computing discipline's aspect for enhancing, intensifying, and updating their technical skills.

MD5: To inculcate a healthy environment and delegate youth in rural communities with professional ethics in a computing environment.

2.3.3 Message from Head of the Department

Welcome to the Department of Computer Science and Engineering in KIPM-College of Engineering and Technology, GIDA, Gorakhpur. The Department of Computer Science and Engineering directs at bringing out the technical and inherent abilities of the young and future Engineers. The Department aims to motivate young professionals in building cognitive characteristics and improve the rising engineers with the latest trends in technology. The programme is designed to provide students both theoretical knowledge and practical skills in the newest technology. This curriculum is good enough for academia, government, research, industry, engineering, and management positions. The Department is committed to continuously improve the quality of education by enhancing the knowledge of students and staff members. The Department of Computer Science & Engineering is well equipped with centralized laboratories having the latest configurations and software tools.

2.4 Mechanical Engineering Department

2.4.1 About the Department

The Mechanical Engineering Department was established in the year 2012, the year of the establishment of the college. It is the branch of engineering that involves the production and usage of heat and mechanical power for the design, production, and operation /Maintenance of machines and tools required for process/chemical industries, refineries and petrochemicals, fertilizers, air separation plants and cryogenics, power plants and infrastructure projects. This engineering field requires an understanding of core concepts including mechanics, kinematics, thermodynamics, materials science, structural analysis, and electricity. Mechanical engineers use these core principles along with tools like computer-aided engineering, and product lifecycle management to design and analyse manufacturing plants, industrial equipment and machinery, heating and cooling systems, transport systems, aircraft, marines, robotics, medical devices, weapons, and others.

2.4.2 Vision

To become a Centre of Excellence in Mechanical Engineering with focus on optimal teaching and research, to serve as a human resource provider, which can identify, think, and create to serve the society, industry, and environment to meet the requirement of 21st century.

2.4.3 Mission

The mission of the Mechanical Engineering Department is:

1. To provide qualitative and conceptual education to make students ready to deal with the problem of the industry by offering the state-of-the-art undergraduate program.
2. To become an epicentre of the teaching and learning process that attracts the best faculty and student.
3. To create an ambiance where student brainstorms to find the feasible solution of a technological problem in collaboration with industries and academia that will promote sustainable development.
4. To promote extra-curricular activity that will enhance personality of students.
5. To serve the society by upholding the highest ethical standard and values, and empowering weaker and underprivileged sections.

2.4.4 Message From Head of The Department

Welcome to the Mechanical Engineering Department (MED). The vision of the department to become a Centre of Excellence in Mechanical Engineering that focuses on optimal teaching, learning and research. Our goal is to be a human resource provider which can identify, think and create, to serve the society, industry, and environment to meet the requirements of the 21st century. It has state-of-the-art & pioneer facilities, with a clear aim to be known as the best department in Mechanical Engineering among all other Indian colleges of repute. Our department has faculty members of strong academic background as wealth. Students can communicate with the individual faculty members by the provided correspondence details.

2.	Dr. S. P. Pandey	Professor			Mechanical Engineering	Renewable Energy	Awarded
3.	Dr. Mohammad Zahid Rayaz Khan	Associate Professor		MMMUT, Gorakhpur	Mechanical Engineering	Design Engineering,	Awarded
4.	Dr. Shah Fateh Azam	Assistant Professor	23-07-2014	IIT-BHU, Varanasi	Mining Engineering	Design Analysis	Awarded
5.	Mr. Rahul Patel	Assistant Professor		NIT Patna	Mechanical Engineering	Thermal Engineering	Pursuing
6.	Mr. Manish Kumar	Assistant Professor		NIT Patna	Mechanical Engineering	Thermal Engineering, Solar Energy	Pursuing
7.	Mr. Maneesh Singh	Assistant Professor	15-09-22	MMMUT, Gorakhpur	Mechanical Engineering	Solar Energy, Alternative Fuels	Pursuing

2.5 Electronics & Communication Engineering Department

2.5.1 About the Department

Department of Electronics & Communication Engineering was established in the year 2012, where the significant infrastructural design, well-equipped laboratories & hi-tech computers with high-speed internet facilities with all qualified faculty members ensure world-class standard of education. The students are guided and motivated to practically implement the principles learnt in classrooms through experimentations in the laboratories and through innovation centres on Robotics and Internet of Things (IoT). The students can include them to different types of clubs like Circuit Design, Music, Arts, Sports etc.

2.5.2 Vision

To become an esteemed department for education in the area of Electronics and Communication Engineering and molding students into professional researchers and engineers to serve the society and country by their industrial, scientific, innovative, academic, social, technical skills & ethics and entrepreneurship activities. Grooming the students with new-fangled technologies and empower them to compatible with the global industry demands. Communicating the leadership & entrepreneurial skills in the field of Electronics and Communication.

2.5.3 Mission

The mission of the Electronics & Communication Engineering Department is:

1. To make the students innovative & competitive and ready to take the challenges of industry through the efficient teaching - learning process.
2. To provide the quality education for the multifarious development of the students, to meet the needs of industry as well as society.
3. To impart the remarkable skills such as envisaging, designing and effectively giving solutions for global needs of Electronics, Communication and Automation industries.
4. Developing professional ethics, team spirit and leadership qualities into the students for the regularly changing technological world based on the societal needs and environmental concern in engineering design and practice.

2.5.4 Message from Head of the Department

	<p>HOD's Message</p> <p>Electronics and Communication Engineering is an exciting stream that yields very good career opportunities in different areas of technology. Here we provide healthy environment for every student and teacher to carry out inter-department collaborative research in fields like VLSI Design, digital communication, the internet of things, robotics, etc. The department conducts various workshops, expert talks, and additional training programmes on recent trends in Electronics and Communication Engineering. I am sure that all passing out students of the department are capable of visualizing, planning, and developing big projects of commercial and research interests in their respective fields of expertise. The graduates of the Electronics and Communication stream have been selected by some of the leading software and hardware companies in the country.</p> <p>Thank you for visiting us.</p>
<p>Er. Bhasker Pandey</p> <p>Head of Department Electronics and</p>

2.5.6 Departmental Labs

The department is having following well-equipped laboratories:

- Basic Electronics Engineering Lab

- Electronic Devices Lab
- Signal System Lab
- Digital Signal Processing Lab
- Control System Lab
- Digital Communication Lab
- Communication Engineering Lab
- Analog Circuit Lab
- Integrated Circuit Lab
- Microcontroller for Embedded System Lab
- Microprocessor & Microcontroller Lab
- Digital System Design Lab
- Microwave & Radar Engineering Lab
- Project Lab
- PCB & Electronics Workshop Lab

2.5.7 Departmental Committee

Different Committees for various Tasks

- Program Evaluation & Review Committee (PERC)
- Departmental Advisory Board (DAB)

2.5.8 Events Organized

Event Organized by Srijan Society of Electronics

Year	Professional Head	Event
2022-23	Mr. S. N. Upadhyay/Ms. Kumari Ritika	NIRMANAM 2023

2.5.9 Report on NIRMANAM 2023

Name of the Event	:	“NIRMANAM 2023”
Date	:	12-14 May 2023
Venue	:	College Campus
No.of Participants	:	50 Students + Staff

2.5.10 About the Event

NIRMANAM'23 was an event organized by the SRIJAN SOCIETY of ECE Department. It was a 3-days workshop starting from 12th May to 14th May. SRIJAN Society has organized a plethora of events namely Tech Expo which comprised all the technical events and some fun games and events, like 'Dahaad', which was dedicated for indoor and outdoor sports. and finally, Amplifier Meet which throw a get-together where students could showcase their tremendous talent. The society of SRIJAN also organized an event called Amplifier Meet in which faculty members and Students got along to enjoy the evening.

This day's main purpose was to raise coordination and leadership ability among the students of the society. In the session, students were shown their skills through various competitive events.

Mr. Bhasker Pandey expressed his view on the purpose of organizing this technical event with the students. The whole event was coordinated by Ms. Kumari Ritika with votes of thanks.

2.5.11 Details of Non-Teaching Staff

S. No.	Details of Staff Member
1	Mr Ashok Kumar Pandey
	Designation: Lab Instructor
	Qualification: Diploma
2	Mr Sanjay Tripathi

	Designation: Technical Assistant
	Qualification: B. Com., ITI (Electrician Trade)
3	Mr. Upendra Kannojiya
	Designation: Lab Instructor
	Qualification: B. Tech

2.5.12 Experts Lectures / Training Activities (Industrial Visit conducted by the ECE department)

2.5.12.1 Online Guest Lecture On “Social Network Analysis”

Department of Electronics and Communication Engineering of KIPM College of Engineering & Technology successfully organized a Guest Lecture on “Social Networking Analysis” on 4th April 2023 under the supervision of Mr. Bhasker Pandey (Head of Department Electronics and Communication Engineering).

This lecture was delivered by Guest Speaker Dr. Anurag Singh (Associate Professor, National Institute of Technology, Delhi) through online mode. He discussed an inspirational lecture on “Social Networking Analysis” to our students. Many of the students from 2nd year, 3rd and 4th year were present in the seminar hall and attended the guest lecture physically and some students were connected in online mode through Google meet.

Mr. Bhasker Pandey (Head of Department Electronics and Communication Engineering) welcomed the guest speaker and introduced him. He addressed the students regarding the guest lecture.

The session started with the lecture on “Types Network Analysis” by Prof. Anurag Singh. He also discussed different types of networks like social network, complex network, regular network, random network etc. He covered important properties of a *NODE* in a graph like distance, degree of a node, topology and many more. He also worked out examples to explain all these topics. Dr. Singh continued his presentation with the discussion on “Clustering” on social networks. He also suggested some websites where data of social networking sites are available for sampling. The session ended with queries from students. Most of the participants who attended the lecture were students and faculties as well.

Participants showed keen interest in learning the concepts, methodologies and gave satisfactory feedback at the end of the session and had an informative discussion at the end. Students also asked some questions which revolved around the topic.

To conclude this lecture, the vote of thanks was given by Er. Kumar Ritika (Assistant Professor, Department of Electronics and Communication and Engineering) where she thanked Dr. Singh.

Members of Electronics and Communication Engineering

1. Mr. Bhasker Pandey(HOD)
2. Dr. Rashid Mustafa
3. Mr. Arvind Kumar Maddheshiya
4. Mr. Kumar Vaibhav Srivastava
5. Mr. Subash Chandra Yogi
6. Mr. Avinash Pal
7. Ms. Kumari Ritika Panday
8. Ms. Mohini Pandey

2.5.12.2 Hybrid Mode Workshop on “Future Trends in Electronics & Communications Engineering”

Department of Electronics and Communication Engineering of KIPM College of Engineering & Technology successfully organized a Workshop on Future Trends in Electronics & Communications Engineering from 10/04/2023 to 19/04/2023 under the supervision of Mr. Bhasker Pandey (Head of Department Electronics and Communication Engineering).

This lecture was delivered by esteemed Guest Speaker Dr. Manoj Shukla, Priyanka Agarwal and Dr. Shivani Dixit. The name of this 8-days long series of special lectures was “Future Trends in Electronics & Communication Engineering”. All the 2nd year, 3rd and 4th year students attended the lectures physically in seminar hall along with the faculties of the department. Those students who were absent due to some major issues were allowed to be connected in online mode as well.

Kumari Ritika gave a warm welcome to the guest speaker and also she introduced the first special lecturer of the first day Dr. Shukla and addressed the students regarding the guest lecture and the schedule of the series.

The session started with the lecture on “Future Trends in Electronics & Communication Engineering” by Dr. Manoj Shukla. He also discussed brief history of electronics engineering. He covered important topics on Technological Aspects of Wireless Communication, Importance of Underwater Communication, Interleave Division Multiple Access Scheme and its variants, Glimpses of Modern Display Devices/ Recent Trends in Multiple Access Schemes A Talk on Aspects of Electronics Engineering and A Talk on Engineer and Society, in this session Priyanka Agarwal, HBTU discussed a topic Developments in Powerline Communication and Dr. Shivani Dixit, PSIT covered Aspects of

5G Wireless Technologies session ended with queries from students. Most of the participants who attended the Lecture were Students and Faculty.

Participants were open to come forward and ask questions after each and every session everyday. Students showed keen interest in learning the concepts, methodologies and gave satisfactory feedback at the end of the session.

To conclude this tremendous series of lectures or workshop, vote of thanks was given by Er. Kumari Ritika (Assistant Professor, Department of Electronics and Communication Engineering).

Members of Electronics and Communication Engineering

1. Mr. Bhasker Pandey HOD
2. Dr. Rashid Mustafa
3. Mr. Arvind Kumar Maddheshiya
4. Mr. Kumar Vaibhav Srivastava

2.5.12.3 Report of Industrial Visit to ITI, Mankapur

College Name- KIPM-CET

Branch/Year- ECE 3rdYear

No. of Students- 32

Industry Visited- Indian Telephone Industry Limited, Mankapur

Date- 17th Dec 2022

Visit Details

Students of EC 3rd year, KIPM-CET visited ITI, Mankapur on 17th Dec 2022 with faculties Er. Subash Chandra Yogi and Er. Kumari Ritika Pandey, As scheduled bus reached ITI Mankapur, on 17th Dec 2022 at 10:15 AM for industrial visit, over there Mr. Shusheel Kumar, Deputy Manager (Technical Support) welcomes the students with his staff. After tea, a powerpoint presentation and Introduction class was held. The detail of introductory class is as follows:-

- Indian Telephone Industry Limited, Mankapur was established in 1983 for manufacturing Electronic Switching System (E-10B) Mankapur started manufacturing OCB/CSN Exchanges from 1993-94 and supplied 3000 KL to BSNL/ MTNL. The plant started manufacturing Base

Trans-receiver Station (BTS rack) for GSM equipment. To further diversification efforts, the plant has built up a new infrastructure for manufacturing of LED Based Products like LED Solar lantern & LED street lights for rural applications and LED tube lights & decorative indoor lights for Grid Based urban applications.

- Plant has the facilities for assembly & automatic testing with SMT Line, environmental test labs, PCB manufacturing and sophisticated Powder Coating Line.
- Projects of national importance like Network for Spectrum (NFS) and National Population Register (NPR-40) are being executed by ITI, Mankapur plant.
- The Unit is ISO 9001-2008 certified and also accredited with ISO 14001: 2004 Certification for Environment Management System.

AREAS OF BUSINESS

- Telecom Products (BTS/C-DOT Products/CSN/E10B)
- E-governance Projects: NATIONAL POPULATION REGISTER (NPR-40) in state of Chhattisgarh and Bihar
- Network for Spectrum Project (NFS)
- An Optical Fibre Cable laying project Turnkey basis is being executed by ITI, Mankapur against Network for Spectrum (NFS) in the state of West Bengal, Bihar, Jharkhand, Odisha, Andaman & Nicobar Islands and Sikkim of Eastern Telecom Project Region
- LED Based Products

After introductory class students visited Base Trans-Receiver Station (BTS) section. Mr. R.P.Pathak, Deputy Manager (Mobile product) and Mr.A.K.Mishra, Deputy Manager (Mobile product) explained about the establishment and working of the BTS section. Some details of BTS section is as follows:

- Base Trans-Receiver Station (BTS) “BTS A 9100” is a radio frequency mobile communication product based on GSM technology. It is a set of equipment that facilitates wireless communication between user equipment (UE) and a network. A BTS in general consists of Trans-receiver module antenna network Combiner, Controller card (SUMA) & Alarm Extension System (XIBM).
- It is a self-contained unit for transmitting / receiving signal for mobile communication.

Salient	Features:
A single unit of average configuration caters to approx. 1000 mobile subscribers.	
Hardware supports Multi-band capability for GSM 900 & 1800 MHz.	
•BTS provides GPRS / EDGE+ capability.	
- Dimensions: Height 1940mm x Width 600mm x Depth 450mm.
Weight: 270 Kg (fully equipped).

Base Trans-Receiver Station

- Next section of visit was surface mounting technology (SMT) line section. Unit has a electronic assembly plant equipped with modern facilities for surface mounted devices (SMD) assembly and automated testing to ensure defect free PCB assembly. With SMT Line capable of handling complex and fine pitch components with better accuracy, the plant can produce quality assemblies. Placement Capacity: 50000 CPH.
- Component Size: 0.6mm x 0.3mm to 50mm x 50mm

Surface mounting technology (smt) line section

- Next section was PCB manufacturing and testing unit, headed by Mr. Y.C.Srivastava. In this section students learned about plant. Details are as follows-
- PCB Plant has established to manufacture Professional grade Double sided Printed circuit Boards to meet the requirements of E-10B, CSN and MAX-L/XL (selective) system.

The PCB Plant is having automatic production lines so as to produce Double Sided / Single sided Plated through holes PCB. The Quality and Process Control at different stages of production line is monitored thereby achieving competitive quality level for the products conforming to MIL-P55110D.

- Double Sided / Single sided with PTH on FR-4 copper clad epoxy laminate
- Pre-cut modules
- SMOBC technology
- The PCB plant is having ISO 9001: 2008

• **CAPACITY: -**

- Double sided 0.20 mm minimum workable conductor width.
- Minimum insulation is 0.15 mm.
- Maximum finished size 500 x 300 mm
- Minimum finished PTH hole size 0.7 mm

- Highly reliable and comprehensive Test System.
- Capable of accessing 3840 nodes in an unit under test.
- Capable of checking short and open circuit, missing and wrong value components.

- Capable of checking memory devices and its program.
- Capable of timing measurement of on-board clock.

2.6 Electrical Engineering Department

2.6.1 About the Department

“Engineering is full of Electricity”

Electrical Engineering formulates the basis of most modern applied technologies. It nurtures fundamental science over the expansions into Electronics, Instrumentation, Control, Power Electronics, Renewable, Smart Systems, Electric Automobiles, Avionics, Bio-Medical Instrumentation etc. In Electrical engineering, the horizon is the limit. Since its inception the department of Electrical Engineering has come a long way with lateral expansions. The department focuses on utilizing its resources to craft creative minds for searching solutions to the real-world problems.

2.6.2 Vision

To be acknowledged as a centre of excellence for originating an effective and socially responsible Electrical Engineer to serve the challenges of the society, environment and industry using trending and innovative technologies.

2.6.3 Mission

The mission of the Electrical Engineering Department is:

- To enhance continuous education quality for accomplishing better research and learning process.
- To establish bridge between industry/companies and students organize various skill improvement training and workshops.
- To establish an effective connectivity among students, alumni, faculty, industries, stockholders and academicians of another reputed institute
- To provide an intergraded environment under which students can improve their creativity, teamwork, entrepreneurial and such other skills.

2.6.4 Message from Head of the Department

 <p>Dr. AJAY KUMAR MAURYA</p> <p>Head of Department Electrical Engineering</p>	<p style="text-align: center;">“Excellence is a continuous process and not an accident.”</p> <p style="text-align: center;">–Dr. Abdul Kalam</p> <p>Welcome to the department of Electrical Engineering at KIPM College of Engineering & Technology, GIDA, Gorakhpur. The department works with the objective of addressing critical challenges faced by the industry, society and the academia. Perhaps even more important is our unceasing commitment to our students, helping them to learn, grow, develop, and achieve their goals in their pursuit to excel in their professional career.</p>

KIPM CET Annual Report 2022-2023

1.	Mr. Janardhan Yadav Designation: Lab Instructor Qualification: Diploma
2.	Mr. Himanshu Singh Designation: Lab Instructor Qualification: B.tech
3.	Mr. Mukesh Pal Designation: Lab Instructor Qualification: Diploma

2.6.9 Faculty Member Completed / Doing PhD

Name of Faculty	Designation	Date of Ph.D Registration	Name of Institute/ University	Department	Area of Research	Status
Dr. Puneet Kumar Srivastava	Assistant Professor	12 July, 2016	MMMUT, Gorakhpur	Electrical engineering	Renewable Energy Generation	Completed (December 2021)
Dr. Ajay Kumar Maurya	Assistant Professor	2 JULY,2015	IFTM University	Electrical engineering	Power and Control System	Completed (February 2022)
Dr. Nitesh Tiwari	Assistant Professor	27 July, 2019	MMMUT, Gorakhpur	Electrical engineering	Electric Vehicle	Completed (May 2023)

2.6.10 R & D Activities

2.6.10.1 Dr. Puneet Kumar Srivastava

- Sliding Mode Control - Based LQR Design for Two - Link Robot Manipulator International Conference - International Conference on Computational and Experimental Methods Scopus

- Compressive Review on AC - DC, DC - DC, DC - AC - DC Converters Used for Electric Vehicle and Charging Stations - International Conference - 2nd International Conference on Sustainable Technology and Advanced Computing in Electrical Engineering Scopus

2.6.10.2 Dr. Ajay Kumar Maurya

- Fault detection in transmission line using ARDUINO UNO, accepted in FEEMSSD - ESCI/Scopus.
- A Review of solar cells and their application - accepted in FEEMSSD - ESCI/Scopus.

2.6.10.3 Dr. Nitish Tiwari

- Applied for Design of Intelligent Controller for Electric Vehicle Drives and Charging System as CO-PI.
- Speed Control of Battery and Supercapacitor Powered EV/HEV using PID and Fuzzy Logic Controller - International Journal of Innovative Computing and Applications - ESCI / Scopus.
- Battery and supercapacitor powered energy management scheme for EV/HEV using fuzzy logic controller and PID controller - International Journal of Power Electronics - ESCI / Scopus.
- A Comprehensive Review of Indian Market Scenario and Motor Used in Electric Vehicle - International Journal - Recent Advances in Electrical & Electronic Engineering - ESCI / Scopus.
- Multi-objective metaheuristic optimized PI gains of model reference adaptive controlled induction motor drive for electric vehicle - International Journal - International Journal of Vehicle Performance - ESCI / Scopus
- Multi-objective metaheuristic optimized PI gains of model reference adaptive controlled induction motor drive for electric vehicle - International Journal - International Journal of Vehicle Performance - ESCI/Scopus
- Design and Optimization of PI Controller or Multiple-Output Wireless Electric Vehicle Charger - International Journal - Recent Advances in Electrical & Electronic Engineering - ESCI / Scopus
- PI Gain Optimization and Artificial Intelligence Based Direct Torque Control of Induction Motor Equipped Electric Vehicle Drives - International Journal - International Journal of Electric and Hybrid Vehicles - ESCI/Scopus
- Optimization of PI Controller for Design and Modeling of Cuk, Forward Isolated, and Sepic Converter - International Journal - International Journal of Power Electronics - ESCI /Scopus
- Deep Learning-based Advancement in Fuzzy Logic Controller - International Conference - International Conference on Artificial Intelligence and Smart Communication - IEEE
- A Review of Architecture, and Topologies Used for Electric Vehicle Charging Stations - International Conference - 3rd Conference on Flexible Electronics for Electric Vehicles Scopus
- A Comprehensive Review of Wireless Electric Vehicle Charger - International Conference - 3rd Conference on Flexible Electronics for Electric Vehicles Scopus
- Sliding Mode Control - Based LQR Design for Two - Link Robot Manipulator International Conference - International Conference on Computational and Experimental Methods Scopus
- Compressive Review on AC - DC, DC - DC, DC - AC - DC Converters Used for Electric Vehicle and Charging Stations - International Conference - 2nd International Conference on Sustainable Technology and Advanced Computing in Electrical Engineering Scopus

- Hardware Designing and Modeling of Joystick based Electric Wheelchair Drive - International Conference - International Conference on Frontiers in Desalination, Energy, Environment and Material Sciences for Sustainable Development Scopus
- Modeling and Control of Small - Scale Distributed Generation System based on Wind PV and Battery - International Conference - International Conference on Frontiers in Desalination, Energy, Environment and Material Sciences for Sustainable Development Scopus
- Analysis and Application of Power Amplifier to Biomedical Instrumentation - Book Chapter - Advanced Research in Electronic Devices for Biomedical and mHealth - Scopus
- Harmonics Reduction by Distributed Power Flow Control Using FACTS Devices in Power Supply - Book Chapter - Recent Advances in Energy Systems, Power and Related Smart Technologies Scopus
- Electric Vehicle (Green and Sustainable Transportation) - Book Chapter - S. K. Kataria & Sons

2.6.10.4 Er. Pawan Sen

- Fault detection in transmission line using AURDINO UNO, accepted in FEEMSSD - ESCI/Scopus.
- A Review of solar cells and their application - accepted in FEEMSSD - ESCI/Scopus.

2.6.10.5 Er. Shivangi Agarwal

- Fault detection in transmission line using AURDINO UNO, accepted in FEEMSSD - ESCI/Scopus.
- A Review of solar cells and their application - accepted in FEEMSSD - ESCI/Scopus.

2.6.11 Details of GATE Qualified Students

	Reg no.	EE22S25017121
	Year	2022
	GATE Score	485
	Rank	4394

Chapter 3 Institute infrastructure & Facilities

3.1 Training and Placement Cell

3.1.1 TPO's Message

It is indeed pleasure & pride to welcome you at KIPM Gorakhpur. It is now 14 years, since KIPM embarked a mission to fulfil this need among the organization recruiters. The Personality Development activities are organized throughout the year with a view to prepare the students to participate for the campus drive. Our college is marching forward meticulously with goals for the all-round development of the students. We at KIPM- College of Engineering & Technology have designed the curricular activities to make our students confident and competent to face the challenges of the corporate world.

3.1.2 Facilities at the Training and Placement Cell

We are a premier Engineering, Management & Pharmacy educational institution of eastern UP which has 12 years of glorious experience of excellent results and placements; I proudly announce that we have provided more than 1600 successful engineers from last six batches of our college to our society who are serving across the country. We have a dedicated team of professionals in our skill development cell who are committed to develop our student's personality to prepare them as per current need of Industry. More than 245 companies Visited & 1885+ students placed in Reputed Companies in last 10 years.

3.1.3 Placement Facilities

Auditorium	One
Written Test Rooms	52 Numbers (Total Capacity 1400)
GD Room	05 Numbers
Interview Cabin	10 Numbers
Computers for Online Test	500 Numbers

3.2 Innovation & Incubation Cell

3.2.1 About the cell

The KIPM College of Engineering and Technology (KIPM-CET) is established by "Ashutosh Shiksha Evam Seva Sansthan", which emphasizes sprawling education evenly in the society. It was founded in the year 2012 by the man of amazing insight Er. R. D. Singh. His dreams and persistent efforts provided a platform for long unanswered inquisitive minds. KIPM-CET has been at the forefront of promoting creativity and incubating business ideas to provide an atmosphere where its students and faculty can explore their potential. As students are engaged in generating and implementing innovative ideas for

solving problems of the real world, faculty of the college are continuously finding ways to launch business ideas to influence society. In many cutting-edge science and technology fields, a significant number of Innovation Cell activities are being carried out by faculty members and students. Most of these innovative solutions, however, do not directly reflect consumer goods but benefiting society in different ways, including the industry's lack of interest in modern marketing and futuristic innovations.

KIPM College of Engineering and Technology proposes that interested faculty members and students be encouraged to open companies, to be on the Board of Directors of such companies in the capacity of a Director, Chairman, or any such function. Engaged faculty members and students under Innovation Cell, are expected to make every possible effort to balance their academic responsibilities while assuming the position above. The MoE Innovation Cell, other bodies of the Government of India, and Dr. Abdul Kalam Technical University is striving to provide an environment where its institutions and its graduates can achieve the full potential of the best-trained youth. What lies behind the evolution of culture is the need to acquire increasingly refined skills. When significant citizens of any culture have access to activities that are in line with their life goals, every culture gets its peak and this involves the creation of ongoing increasingly complex skills. KIPM-CET aims to kick-start and boost the entrepreneurial community of students by seamlessly combining innovative technology, and creative skills to solve real-life contemporary problems, leading to increased knowledge, wealth, and jobs for needy people.

3.2.2 Vision

To develop an entrepreneurial environment through the advancement and consolation of college management, faculties, staffs, alumni and students.

3.2.3 Mission

We are committed to groom Science & Technology driven Start-ups and Entrepreneurs by providing required eco-system, infrastructure, mentorship, financial and networking. support.

3.2.4 Objectives

Ministry of Education (MoE), Govt. of India has established an Innovation Cell (MIC) to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). MIC has envisioned encouraging the creation of the 'Institution's Innovation Council (IICs)' across selected HEIs to encourage, inspire and nurture young students.

3.2.5 The IIC at KIPM College of Engineering & Technology is established with the major focus on

To conduct various innovation and entrepreneurship-related activities and Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool

for student innovators. Also to prepare the institute for Atal Ranking of Institutions on Innovation Achievements Framework.

3.2.5.1 Functions of IICs

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in a time-bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by the institution's faculty and students. Organize Hackathons, idea competition, mini-challenges, etc. with the involvement of industries.

3.2.5.2 Team Members

Name of Member	Role in IIC	Member Type
Mr. Pramesh Chand Srivastava	President	Internal
Dr. Shah Fateh Azam	Vice President, ARIIA Coordinator	Internal
Mr. Rahul Patel	Convener	Internal
Mr. Alok Kumar Srivastava	NIRF Coordinator	Internal
Dr. Rashid Mustafa	IPR Activity Coordinator	Internal
Mr. Kumar Vaibhav Srivastava	Innovation Activity Coordinator	Internal
Dr. Nitesh Tiwari	Startup Activity Coordinator	Internal
Mr. Manish Kumar	Internship Activity Coordinator	Internal
Ms. Priyanka Pandey	Member	Internal
Mr. Mayank Mohan Mishra	Social Media Coordinator	Internal

KIPM CET Annual Report 2022-2023

Mr. Vivek Singh	Expert Member from Industry	External
Mr. Vashu Agrahari	Expert Member from Industry	External
Mr. Meraj Ahmad	Expert Member from Industry	External

3.2.6 Thrust Areas and Schemes

- ❖ Internet Of Things
- ❖ 3D Printing & Reverse Engineering
- ❖ Artificial Intelligence
- ❖ Data Analysis
- ❖ Machine Learning

- ❖ Software Development
- ❖ Information Security
- ❖ Drone Technology
- ❖ Electric Vehicle
- ❖ Renewable Energy
- ❖ Digital Marketing
- ❖ LED Lighting
- ❖ Ethical Hacking

3.2.7 Infrastructural Support

- ❖ 3D Printer

- ❖ Measuring Instruments

❖ Presentation Area

❖ All Types of Electronic Sensor Available and Soldering Instruments

❖ Separate Store Room

❖ Offices For Startup

❖ Conference Area

❖ High Configuration Computer Systems

❖ Project Display Area	
❖ Cafeteria	
❖ Wi-fi	

3.2.8 Innovation Cell Quater wise Activity in the Session 2022-23

3.2.8.1 Q1 Activity

S. No.	Plan/action
1.	Workshop on “Entrepreneurship and Innovation” as Career Opportunity
2.	Session on My Story - Motivational Session by Successful Entrepreneur/Start-up founder
3.	My Story - Motivational Session by Successful Entrepreneur/Start-up founder
4.	Exposure and field visit for problem identification
5.	Organise an Idea Competition/Challenge/Hackathon and Reward Best Ideas - Manage through YUKTI-NIR
6.	Launch of 5G services by Honorable Prime Minister of India
7.	Celebration on National Education Day

8.	Celebration on Innovation Day
9.	Workshop on IOT to make live project in hardware
10.	Workshop on Manufacturing of Eco-friendly bricks to educate our future Civil Engineers.
11.	Workshop on “Sustainable Technology Development for Energy & Water Sector”

3.2.8.2 Q2 Activity

S. No.	Plan/action
1.	Workshop on “Design Thinking, Critical thinking and Innovation Design”
2.	Organising Innovation & Entrepreneurship Outreach Program in Schools/Community.
3.	Workshop on Entrepreneurship Skill, Attitude and Behaviour Development
4.	Field/Exposure Visit to Pre-incubation units such as Ideas Lab, Fab lab, Makers Space, Design Centres, City MSME clusters, workshops etc.
5.	Organise an Inter/Intra Institutional Innovation Competition/Challenge/Hackathon and Reward Best Innovations - Manage through YUKTI-NIR
6.	Mentoring Event: Demo Day/Exhibition/Poster Presentation of Innovations/Prototypes & linkage with Innovation Ambassadors/Experts for Mentorship Support - Manage through YUKTI-NIR
7.	Celebrate National Science Day on the occasion of Science day on 28th February 2023.
8.	Celebrate National Startup Day on 16th January 2023.
9.	Celebrate National Youth Day on 12th January 2023.

3.2.8.3 Q3 Activity

S. No.	Plan/action
1.	Session on “How to plan for Start-up and legal & Ethical Steps”

2.	Workshop on Intellectual Property Rights (IPRs) and IP management for start up
3.	Field/Exposure Visit to Incubation Unit/Patent Facilitation Centre/Technology Transfer Centre such as Atal Incubation Centre etc.
4.	Mentoring Event: Demo Day/Exhibition/Poster Presentation of Business Plans & linkage with Innovation Ambassadors/Experts for Mentorship Support – Manage through YUKTI-NIR
5.	Celebrating India's presidency of the G20.
6.	Creating YUKTI Innovation Repository & Participation in Innovation Challenge
7.	Celebrate Intellectual Property day 2023 on 26th April 2023.
8.	Celebrate International Women's Day 2023 on 8th March 2023.
9.	Celebrate World Creativity and Innovation Day on 21st April 2023.
10.	Celebrate National Technology Day on 11th May 2023.

3.2.8.4 Q4 Activity

S. No.	Plan/action
1.	Session on Innovation/Prototype Validation – Converting Innovation into a Start-up or Session on Achieving “Value Proposition Fit” & “Business Fit”
2.	Session on Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs.
3.	Session/ Panel discussion with innovation and Start-up Ecosystem Enablers from the region/state/national level.
4.	Mentoring Event: Demo Day/Exhibition/Poster Presentation of Start-Ups & Linkage with Innovation Ambassadors/Experts for Mentorship Support - Manage through YUKTI-NIR.
5.	Celebration of World Environment Day
6.	Independence Day Celebrating Azadi Ka Amritkal.
7.	Celebration of World Entrepreneurs Day.
8.	Session on Startup Strategies: Unleashing the Power of Entrepreneurial Thinking.
9.	Session on Building the Future: Exploring Startup and Entrepreneurial Opportunities.

3.2.9 Incubated Start-up

	<p>Spars Techno Solution Pvt. Ltd.</p> <p>(Touch towards the new technical era)</p>	<p>This is a technology-based startup started by the students of our college. This startup has been started in Covid period Since 2020. In this Start-up Sanitization machines are manufacturing and sales for the protection of Kovid-19 virus. The products of this startup are Automatic hand sanitizer machine, full body sanitizer tunnel and Smart UV disinfection box.</p>
	<p>VS ENERGY TECHNOLOGY</p> <p>(GRAM LIGHT Employment Generation & Skill Development Program)</p>	<p>VS ENERGY TECHNOLOGY is technology-based startup. this startup has been provided office facilities by our Innovation Cell through MoU.</p>
	<p>VERDANT MOTORS PVT. LTD.</p> <p>(RIDE BETTER)</p>	<p>VERDANT MOTORS PVT. LTD is technology-based startup. this startup has been provided office facilities by our Innovation Cell through MoU.</p>

3.3 Scholarship Cell

3.3.1 List of students who got scholarship

Anant Yadav	Praamhansh Yadav	01/01/2003
Angad Kumar	Brijbhan Sahani	01/01/2004
Aniket Arya	Umesh Kumar	29/10/2006

3.4 Student's Games and Cultural Activities

3.4.1 Teacher's Day Celebration

All the departments of the college were beautifully decorated by the students for Teachers' Day. The students of various departments, along with the help of the Student's Union, organised a function for the teachers. The guests were present at the function: -

Shri D K Verma, Ex-state counselor, Government of Uttar Pradesh

Shri Sanjay Srivastava, Personality Development Trainer

Er. R D Singh, Chairman, KIPM

Dr. S.K. Pathak, Director, KIPM

Mr. Pramesh C. Srivastava, Assistant Director, KIPM

Mr. R.K. Pandey, Dean, KIPM

Some students shared their opinion in form of speeches about the theme Engineering for change and about Dr. Mokshagumdam Vishweshvaraya. Our chief guest delivered an excellent speech for the

younger generation of Engineers. They pointed out the importance of honesty, Confidence, efforts and leadership skills for the emerging civil engineers to raise their carrier.

3.4.2 Mother's Day Celebration

On behalf of Women grievance cell, Mother's Day was celebrated on 14th May 2023 in KIPM technical Campus students participated in various events and measurement the audience with their accident performances especially escape was the highlight of the event which was projected on the strong bond between the mother and child.

Dr. Divya Rani Singh, Head, Home Science Department, DeenDayal Upadhyay Gorakhpur University was present as the Chief Guest to grace this event.

Er. R. D. Singh, Chairman KIPM Technical Campus; Mrs. Sunita Singh, Manager, KIPM technical Campus; Mr. Vinod Kumar Singh, Secretary. Dr. S. P. Singh, Director HR; Dr. Mohd. Zahid Riyaz Khan, Additional Director, Dr. S. K. Pathak, Director; of the women cell welcomed the dignitaries on the dice by giving a bouquet.

The program was inaugurated by appreciating the goddess of wisdom for her blessings by garlanding mother Saraswati and lighting the lamp the program begin by chief guest Dr. Divya Rani Singh speech where she addressed all the participants and attend these of the event and said that the purpose of mother's day is to understand the unconditional love and sacrifices of her child with zero expectation.

केआईपीएम में माताओं का हुआ सम्मान

केआईपीएम टेक्निकल कैंपस, गीडा में मदर्स डे के अवसर पर माताओं का सम्मान किया गया। कार्यक्रम की चीफ गेस्ट डीडीयूजीयू में होम साइंस की एचओडी प्रो. दिव्या रानी सिंह ने कहा कि एक मां का आंचल

अपनी संतान के लिए कभी छोटा नहीं पड़ता। मां का प्रेम अपनी संतान के लिए इतना गहरा और अटूट होता है वह अपने बच्चे की खुशी के लिए सारी दुनिया से लड़ लेती है। केआईपीएम की प्रबंधक सुनीता सिंह ने कहा कि मातृ दिवस न केवल माओं के लिए एक विशेष दिन होता है बल्कि परिवार के हर किसी के लिए एक महत्वपूर्ण दिन होता है। एक मां ही अपने बच्चे की पहली शिक्षक होती है, एक ऐसी शिक्षक जो दोस्त की भूमिका भी निभाती है। इस अवसर पर चेयरमैन आरडी सिंह, सचिव विनोद कुमार सिंह, ई. प्रियंका पांडेय, सरिता माथुर, डॉ. एसके पाठक, डॉ. जय नारायण मिश्रा, डॉ. जाहिद रियाज खान, संजय गुप्ता आदि मौजूद रहे।

3.4.3 Engineer's Day Celebration

All the departments of the college were beautifully decorated by the students for Engineer's Day. The students of various departments, along with the help of the Student's Union, organised a session. The guests were present at the session:-

Dr. S.K. Pathak, Director , KIPM

Mr. Pramesh C.Srivastava, Assistant Director, KIPM

Mr. R.K. Pandey, Dean, KIPM

Some students shared their opinion of in form of speeches about the theme Engineering for change. Our chief guest delivered an excellent speech on the theme SMART ENGINEERING FOR A BETTER WORLD for the younger generation of Engineers. They pointed out the importance of honesty, Confidence, efforts and leadership skills for the emerging civil engineers to raise their carrier.

3.4.4 Women's Day Celebration

The program began by Chief Guest Dr. Divya Rani Singh speech where she addressed all the attendees of the event and said about Women Empowerment. The word women empowerment itself implies that women are not powerful enough they need to be empowered. This painful truth has been in existence for a long time. It is in recent years that noticeable work started beginning to lift women out of the insignificance and powerlessness. With her valuable speech, she encouraged the girl students to work for empowerment.

At last Ms. Priyanka Pandey (Member, WGC) presented vote of thanks to the Chief guest for coming and all the KIPM family for support.

3.4.5 Fresher's Party Celebration

Fresher's Party "KARWAAN" is scheduled to take place on December 10, 2022, at KIPM GIDA.

Having a Chief Guest of such stature will surely add prestige and excitement to the event. Shri Jai Mangal Rao's presence indicates the importance and significance of the occasion. As the Finance Controller, he brings a wealth of knowledge and experience in the field of finance, which could be an inspiration to the attendees.

"Fresher's Party KARWAAN" suggests that it is a celebration for new students who have recently joined the institute. Such events are commonly organized to welcome and introduce the newcomers to the existing student community. It is a great opportunity for the new students to socialize, make connections, and feel a part of the institute's community.

KIPM GIDA, the venue for the event, is likely a well-known institution in Uttar Pradesh, providing education in various disciplines.

Fresher's parties usually involve various activities, performances, and sometimes even competitions. They aim to create a welcoming atmosphere and help new students feel comfortable in their new educational setting. It's a time when seniors and faculty members come together to interact with the incoming students and make them feel part of the college community.

I hope the event was a great success and that everyone had a wonderful time at the "Karwaan" fresher's party.

3.4.6 ANNUAL SPORTS DAY 2022-23

Date- 19th April - 29th April

Venue- KIPM Sports Ground

Sponsored by- Charged Energy Drink

3.4.7 Faculty Match KIPM Engineering Vs KIPM Management

The sunlit campus of KIPM Campus witnessed a friendly yet competitive faculty cricket match between the academic powerhouses, "KIPM Engineering" and "KIPM Management." The grounds were filled with enthusiastic students and fellow faculty members who came to support their respective teams.

3.5 Women Grievance Redressal Cell

Every citizen of the nation, male and female, enjoys in the right to education and work in a climate of wellbeing and security. The constitution of INDIA accommodates orientation “Gender Equality” and “Right to life and freedom” to all people under articles 14,19 and 21. It is hence obligation and command of each and every association to give upkeep of the central privileges to live and work with respect for all representatives: male and female. At the same time, people in some cases face infringement of their essential freedoms. Due to the historical reasons, working women, often face difficulties and challenges at the work place, thereby necessitating the need for protective measures that safeguard women’s rights and safety.

3.5.1 About the cell

Women’s Grievance Cell is meant to safeguard and promote the wellbeing of all women employees and students of KIPM college. It takes care of all complaints of the students inside the campus during college hours. It also takes care of any act of misconduct by a person in authority. The cell is responsible for looking into any complaints filed by students and staff of the college.

3.5.2 Vision

We envision a safe environment and protection against sexual harassment of women at KIPM and for redressal of complaints of sexual harassment and to ensure gender equality in KIPM.

3.5.3 Mission

- To provide safe workplace.

- To develop a policy against sexual harassment for women at KIPM.
- To ensure the implementation of the policy in letter and spirit through proper reporting of the complaints and their follow-up procedures.
- To uphold the commitment of the Institute to provide an environment free of gender-based discrimination.
- To promote a social and psychological environment to raise awareness on sexual harassment in its various forms.
- To create a secure physical and social environment to deter any act of sexual harassment.

3.5.4 Objectives

- The Cell shall process all the individual complaints and take appropriate action.
- To organise awareness programmes on gender issues from time to time.
- To provide a platform for listening to any complaint put up by the students.
- Any redressal action would be taken up in consultation with the higher authority.
- The Cell may form/review the guidelines/policies for redressal of the grievance as required from time to time, which may be in accordance with those issues by government agencies.

3.6 Grievance Redressal Procedure

- Any women employee or female student will have the right to lodge a complaint concerning any kind of harassment.
- The Chairperson will transfer the complaint to the Women Grievance Cell.
- The coordinator will convene a meeting on the matter for further necessary action.
- The complaint will stand dropped if the committee after an enquiry is not able to prove prima-facie an offence of harassment.
- Any irrational complaint lodged shall be viewed seriously by the Cell. And, it shall have the right to decide upon the course of action thereafter.

3.6.1 Grievance Procedure

- Any women employee or female student will have the right to lodge a complaint concerning sexual harassment against a male student or the employee of the institute by writing a letter or putting the complaint in the principal's office.
- The complaint will be afforded full confidentiality at this stage.
- After receiving the complaint, the chairman shall convene the meeting of the cell.
- The chairman will appoint investigation committee, Coordinator will convene the meetings.
- The investigation committee shall then decide the course of action to proceed.
- The complaint will stand dropped if in accordance to the committee the complaint has not been able to disclose prima-facie an offence of sexual harassment by complainer /her representative.
- In case the investigation committee decides to proceed with the complaint, the wishes of the complainer shall be ascertained and if the complainer wishes that a warning

will suffice then alleged offender shall be called to the meeting of the committee, heard and if satisfied that a warning is just and proper, he will be warned about his behaviour and non-occurrence of it.

- In case the complainer requests that the complaint should be proceeded with beyond mere a warning, the same may be proceeded with in the manner prescribed hereafter.

3.6.2 Procedure for investigation

- If the complainer wishes to proceed beyond a mere a warning to the accused, the accused shall be given in writing by the investigation committee an opportunity to explain within one week why he should not be, for good and sufficient reasons, be punished for the act of sexual harassment on his part.
- If the written explanation of the accused is not found to be satisfactory or if he does not provide any written explanation, the investigation committee will decide whether the offence deserves a minor penalty or a major penalty.
- In the event that the investigation committee deciding that the accused be imposed a minor penalty, the said penalty will be recommended by the investigation committee to the chairman of the cell for decision.
- If the investigation committee comes to a conclusion that the accused in case if his guilt proved, should be imposed a major penalty, it shall make a recommendation of action. If the accused is an employee, he may be placed under suspension under the provisions of act.
- If a person is charged with physical molestation or rape on college / society's premises, he shall be immediately placed under suspension pending the completion of the investigation and enquiry. Appropriate actions can be initiated as per the laws of Indian penal code.

3.6.3 Punishment for sexual harassment

1. Any member of the institute fraternity (student/employee/outsider related to institute) found guilty of sexual harassment shall be liable to be punished. This shall be subject to the same penalties for major or minor misconduct as prescribed under government/ university rules.
2. A student guilty of sexual harassment shall be liable for any of the following penalties:
 - i. Warning or reprimand
 - ii. Suspension from university/ college for a period of one month
 - iii. Debarment from appearing for the examination for a period up to three years
 - iv. Rustication from the university as the case may be.
 - v. Any other punishment as defined by the government/ university

3.6.4 Protection against Victimization

The committee noted and approved the policy on Protection against Victimization of the Women's Grievance Redressal Cell as following-

- In the event of the complainer being a student and the accused being a teacher, during the pendency of the investigation and inquiry and even after such an enquiry if the teacher is found to be guilty, the accused will not act as an examiner for any examination for which the student appeal
- In the event the complainer and the accused both being employees, during the pendency of the investigation and enquiry even after such an enquiry if the accused is found to be guilty, the accused shall not write the condition reports of the complainer, if it is otherwise so authorized.

3.7 STRIDES- the sports club

3.7.1 VISION of the club

The relentless pursuit of excellence in the promotion and development of physical education, athletic and extra-curricular activities through an innovative approach to teaching, coaching, research and outreach, and the development of a holistic approach to enhancing human resources through a harmonious blend of body, mind and spirit.

3.7.2 MISSION of the club

- To develop and implement innovative, integrated, interdisciplinary curricula for physical education, sports, games, and related fields.
- To recognizing and promoting aspiring athletes/students with potential and further promoting them through coaching/training. To develop and provide modern amenities in par with the Global standards in the field of sporting.
- To produce dedicated and passionate athletes who always display high morale and sportsmanship.

Kabaddi	238	01
Gym	300	01
Tug of war	-	01

3.7.4 Indoor Sports Facilities

Name of Game	Capacity / Number
Chess	04
Table Tennis	02
carrom	04
Ludo	04

3.8 Central Library

Digital Library Services	Yes
Availability of Digital Library contents	Yes
No. Of Courses	1558 (NPTEL)
Number of e-books	45000 Plus
Number of E-journals	3500 Plus
Availability of intranet/ internet	Yes
Availability of exclusive space /room	Yes
Number of users per day	80
Digital library facility is made available in the central library where students can access all kinds of e-contents.	<p>Available packages of E-Journals:</p> <p>Elsevier, Springer Nature, Emerald, Taylor and Francis, Cambridge university press, Springer Singapore, New Age International, SAGE Publications, etc.</p> <p>E-Books:</p> <p>Taylor & Francis, Springer Nature, McGraw Hill, Cambridge University Press, DOAB, DOAJ, PHI, Science Direct etc.</p>
Institute library is open 07 hours a day for utilization. It is spacious, well ventilated, having power sockets, lights & fans, and Wi-Fi connectivity. The digital library & reading places are located here. Library contains the main books stock, reference section, and Library office and photocopier area.	

3.8.1 Summary of Books and Journals branch wise

S. No	Branch / Subject	Titles	Volumes
1	Civil Engineering	179	3540
2	Computer Science & Engg.	279	2214
3	Electronics & Comm. Engg.	235	2434
4	Electrical Engineering.	135	2025
5	Mechanical Engineering	303	4163
6	Science & Humanities	349	6882
Total		1480	21258

3.8.2 Available packages of E-journals and E-books

E-Journals		
S. No.	Name of package	No. of Journals
1	Elsevier Science Direct Engineering Collection	To Numbers of E-journals are 3500 Plus. Elsevier, Springer Nature, Emerald, Taylor and Francis, Cambridge university press, Springer Singapore, New Age International, SAGE Publications, etc.
2	Springer Nature Engineering (5 subject collection)	
3	EMERALD (Management Database)	
4	Taylor Francis (Engineering & Allied Science)	
5	Cambridge university press	
6	Springer Singapore	
7	New Age International	
8	SAGE Publications	
E-Books		
S. No.	Name of package	No. of Books
1	TAYLOR & FRANCIS	Total Number of E-Books are 45000 Plus. Taylor & Francis, Springer Nature, McGraw Hill, Cambridge University Press, DOAB, DOAJ, PHI, Science Direct etc.
2	Springer Nature	
3	Mcgraw-Hill	
4	Cambridge University Press	
5	DOAB	
6	DOAJ	
7	PHI	
8	Science Direct	

3.8.3 Accessibility to students

Library services	Yes
Carpet area of library (in m ²)	600.22 SQM
Reading space (in m ²)	200 SQM
Number of seats in reading space	60
Number of users (issue book) per day	30
Number of users (reading space) per day	50
Timings (On working days)	9:30 AM to 4:30 PM & 5:30 PM to 7:00 PM
Timings (Sunday)	9:30 AM to 1:00 PM
Number of library staff	02
Number of library staff with degree in library	01
Management Computerization for search, indexing, issue/return records	Yes
Library additional services	Internet, Journals, Technical Magazine, Newspaper, Photocopy, Printing & Scanning

3.9 Important Contact

Name	Designation	Email Id
Prof. (Dr.) Suryakant Pathak	Director	directorengg@kipm.edu.in
Dr. Md. Zahid Rayaz Khan	Additional Director	additional.director@kipm.edu.in
