**Subject: Inviting Prof. (Dr.) S. P. Pandey as Chief Mentor for NBA & NAAC Accreditation at Kailash Institute of Pharmacy and Management.**

Respected Sir,

The Kailash Institute of Pharmacy and Management, with a distinguished legacy spanning nearly 15 years since its establishment in 2009, stands as one of the leading technical institutes of higher education in the Purvanchal region. Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow, the college excels in providing education in the field of Management. I am pleased to inform you about an exciting development at Kailash Institute of Pharmacy and Management that we believe will significantly benefit our institution. Following careful consideration and thorough evaluation, the management of Kailash Institute of Pharmacy and Management has unanimously decided to extend an invitation to Prof. (Dr.) S. P. Pandey, Pro-Vice-Chancellor of COER University, Roorkee, Uttarakhand, to guide our institute as the Chief Mentor for obtaining NBA & NAAC Accreditation and achieving a good NIRF Ranking.

The extensive expertise of Prof. S. P. Pandey in the areas of NBA & NAAC Accreditation, NIRF ranking systems, coupled with his academic prowess, and leadership skills, positions him as an ideal academician to guide and mentor our students, faculty, and staff members. We are confident that his association with our institution will bring a wealth of knowledge and expertise, contributing significantly to the growth and development of Kailash Institute of Pharmacy and Management.

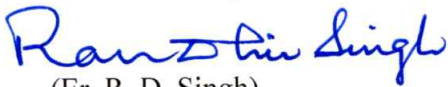

We have already had preliminary discussions with Prof. (Dr.) S. P. Pandey, and he has expressed his interest in taking up this role. His involvement as Chief Mentor will not only enhance the academic and research environment of our institute but will also inspire our students to excel in their academic pursuits. Previously, Prof. Pandey served as the AICTE Margdarshak at KIPM College of Engineering & Technology, Gorakhpur. Under his remarkable guidance and support, the college successfully received accreditation from the National Board of Accreditation (NBA) for three of its B.Tech programs during the academic session 2023-24, spanning three academic sessions.

We are pleased to share this exciting development with you for your future correspondence and support. We believe that the mentorship of Prof. S. P. Pandey will significantly contribute to the overall enhancement of the academic standards and reputation of our institute.

Thank you for your time and consideration.

With Warm Regards.

Yours Sincerely

(Er. R. D. Singh)

Chairman
