

ABOUT CONFERENCE

The conference will focus on current trends and anticipated future concerning energy, environment, and material science for sustainable development. There are many issues will be addressed in conference such as water and wastewater treatment, water resource management, water purification, membrane and thermal desalination, waste management and disposal. Potential application of advanced materials synthesis and applications for solving problems of energy and environment discussed in conference. Conference will not only focus on the paper and poster presentation. There are meeting session with feature invited speakers from top experts in respective disciplines deliberate their talk during different technical session. Attendees will be able to exchange ideas on the underlying interactions and the usage of developing materials in research and applications in a wide range of fields energy and environment.

With an eye on the importance of this issue, Department of Chemical, Mechanical, Civil, Chemistry, Pharmacy of MMMUT Gorakhpur, KIPM and InDA is organizing this international conference to deliberate and share new ideas and emerging advancements, and to propose appropriate synergistic techniques towards fulfilling the need of sustainable development in term of energy, environment, and material science.

THEMES OF CONFERENCE

- Recent Technologies for Water/Wastewater Treatment
- Water Resources Management & Sustainability
- Water Purification Technologies
- Water Policies and Planning
- Membrane and Thermal Desalination
- Nuclear/Solar/Renewal Energy Desalination
- Disposal and Reject /Waste Management
- Wastewater Treatment, Recovery and Reuse
- Hybrid Processes for Wastewater Treatment
- Economics and Financing Aspects in Water Management
- Assessing, Monitoring, Modeling and Forecasting in Water Management Sector
- Advanced Materials for Water Purification
- Application of Nanotechnology in Water Purification
- Water to Energy Production Technologies
- Renewable and non-renewable energy resource
- Materials for energy storage
- Nanomaterials in energy and environment
- Chemistry in the energy environment and material sciences
- Air and noise pollution.
- Advances in Sustainable Construction Materials
- Utilization of Waste Materials in Construction

ABOUT MMMUT GORAKHPUR

Madan Mohan Malaviya University of Technology, Gorakhpur has been established in year 2013 by Govt. of Uttar Pradesh in the form of a Non-Affiliating Technical University after reconstituting the Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962. Fifty-five batches of students have entered its portals to emerge after 4 years of rigorous education under the tutelage of some of the most venerable teachers, engineers ready to face the world and create new world. The university is located on the Gorakhpur-Deoria Road about 9 km away from Gorakhpur Railway & Bus Station and 5 KM from Gorakhpur Airport. In addition to UG and PG programs in Electronics and Communication Engineering, Computer Science & Engineering, Civil Engineering, Mechanical Engineering, Electrical Engineering and Chemical Engineering, University also offers MCA, MBA, B. Pharm and Ph.D. courses in various specializations. It is a fully residential technological University, with five boys' hostels, three girls' hostels, and residences for faculty and staff. Every bhawan is consummated with a mess, common room, sport facilities like T.T, Volleyball etc. Tilak and Ambedkar are the newly constructed hostels with intake capacity of 120 and 240 respectively. One new Boys Hostel named Ramanujam is nearing completion with capacity of 240 while the additional capacity addition of Raman Bhawan and Subhash Bhawan is underway with capacity addition of 240 each in existing capacity.

ABOUT KIPM

KIPM-College of Engineering & Technology have been established under the aegis of Ashutosh Shiksha Evam Sewa Sansthan in the benevolent guidance and leadership of Er. R. D. Singh (President of the Society), to provide quality education to Engineering students. The Promoters are driven by an objective that our students need to be highly accomplished, enterprising, and committed citizens so that they deliver the best values. To achieve such an objective, we follow well-designed and professionally formulated ways of doing things supported by proficient and experienced teachers, a set of adequate infrastructure, and good ambience. The Institute is ISO 9001:2008 QMS Certified for all its courses. Currently total six UG programs B. Tech in CSE, CSE (AI & ML), ME, CE, EE, & ECE and two Diploma programs (ME & CE) are running in the institute.

ABOUT INDIAN DESALINATION ASSOCIATION (InDA)

InDA was established in the year 1991 with the main goal for the development and promotion of the appropriate use of desalination and water treatment technologies. Being a neutral association without any commercial bias, InDA is active in spreading awareness and providing an interface for enhanced interaction amongst the stakeholders namely the user sectors, industries, academicians, policy makers and program implementation agencies. InDA is an affiliate of International Desalination Association (IDA) and Asia Pacific Desalination Association (APDA) for policy advocacy and adopting world best practices. Each year InDA conducts conferences/ workshops/seminars/webinars etc. to enhance the skills as well to interact with small & medium industries to enable them to mitigate the problems related to water & wastewater treatment, its management, and related environmental issues.

International Conference
on
Frontiers in Energy, Environment and
Material Sciences for Sustainable
Development
(FEEMSSD - 2023)
&
Annual Congress of InDA
(InDACon - 2023)
16-17 March 2023
Organized by

Madan Mohan Malaviya University of Technology
Gorakhpur, Uttar Pradesh-273010, India

KIPM-College of Engineering & Technology
GIDA, Gorakhpur, Uttar Pradesh-273209, India

Indian Desalination Association (InDA)

PATRONS

Prof. J. P. Pandey

Vice Chancellor, Madan Mohan Malaviya University of Technology, Gorakhpur

Prof. S. P. Chaurasia

President, Indian Desalination Association

Er. R.D. Singh

Chairman, KIPM College of Engineering and Technology, Gorakhpur

CHAIRPERSONS

Prof. Rajesh Kumar Yadav

Department of Chemistry & Environmental Science, MMMUT Gorakhpur

Prof. Vinay Srivastava

Hon. Treasurer, InDA

ORGANIZING SECRETARIES

Dr. Ravi Shankar, Dept of Chemical Engineering, MMMUT, Gorakhpur

Dr. Prashant Saini, Dept of Mechanical Engineering, MMMUT, Gorakhpur

Dr. Vinay Bhushan Chauhan, Dept of Civil Engg, MMMUT, Gorakhpur

Dr. Jyoti, Pharmaceutical Sci & Technol Department, MMMUT, Gorakhpur

Dr. Prateek Khare, Dept of Chemical Engineering, MMMUT, Gorakhpur

LOCAL ORGANIZING COMMITTEE

Prof. Shriram, MMMUT Gorakhpur

Prof. Jeeoot Singh, MMMUT, Gorakhpur

Prof. Sanjay Mishra, MMMUT, Gorakhpur

Prof. Vitthal L. Gole, MMMUT, Gorakhpur

Prof. P. P. Pandey, MMMUT, Gorakhpur

Dr. Jyoti, MMMUT, Gorakhpur

Dr. Krishna Kumar, MMMUT, Gorakhpur

Dr. Madan Chandra Maurya, MMMUT, Gorakhpur

Dr. Dheerendra Singh, MMMUT, Gorakhpur

Dr. Mohammad Zahid Rayaz Khan, KIPM Gida, Gorakhpur

Mr. Rahul Patel, KIPM-CET, GIDA, Gorakhpur

Mr. Prateek Shahi, KIPM-CET, GIDA, Gorakhpur

Dr. Puneet Srivastava, KIPM-CET, GIDA, Gorakhpur

Dr. Rashid Mustafa, KIPM-CET, GIDA, Gorakhpur

Dr. Manoj Kumar Sahani, KIPM-CET, GIDA, Gorakhpur

ADVISORY COMMITTEE

Prof. Dhananjay Singh, IET Lucknow, India

Prof. Pradeep Kumar, IIT BHU, Varanasi India

Dr. Dharam Pal, NIT Raipur, India

Dr. Ram Gopal, Past President, InDA

Dr. P. K. Tiwari, Past President, InDA

Dr. Madhu Agarwal, VP, InDA

Dr. Soumitra Kar, Jt. Secretary, InDA

Dr. Jitendra K. Singh, Jt. Treasurer, InDA

Dr. S Ramachandran, Chairman, InDA (SZ)

Dr. P Muthamilselvi, Hon. Secretary, InDA (SZ)

Dr. Sushant Upadhyaya, Chairman, InDA (NZ)

Dr. Abhishek Sharm, Hon. Secretary, InDA (NZ)

Dr. B M Misra, EC Member, InDA

Dr. R C Bindal, EC Member, InDA

Dr. A K Ghosh, EC Member, InDA

Dr. R K Dohare, EC Member, InDA

Accommodation:

Free accommodation for UG/PG/PhD student will be provided in hostel on shared basis. Such participant needs to register before 20 March 2023.

High quality selected conference paper will be published in reputed SCOPUS index journal. Best oral/paper presentation for UG student will received attractive prizes.

ADDRESS FOR COMMUNICATION

Dr. Ravi Shankar

Organizing Secretary

Department of Chemical Engineering
Madan Mohan Malaviya University of Technology,
Gorakhpur – 273010, Uttar Pradesh

Email: indacon2023@gmail.com

M: +91-8765783671

REGISTRATION FEE

	InDA Member (INR)	Non-InDA Member (INR)
Industry Personal	4000/-	5000/-
Academia	3000/-	4000/-
Delegate (Non-authors)	3000/-	
Student (PG/PhD)	1500/-	2500/-
Student (UG)	1000/-	1500/-
Foreign Delegate	\$ 50	

All the payments should be in favor of “MMMUT, R&D” payable through Bank Transfer: State Bank of India | Current Account 39228884801 | IFSC SBIN0002578 | MMMEC, Gorakhpur, UP, India.

IMPORTANT DATES

Call for paper in form of Extended Abstract: 25 Jan 2023
Last Date for Submission Extended Abstract: 01 Mar 2023
Intimation for acceptance of abstract: 05 Mar 2023
Registration for Conference: 15 Feb -10 Mar 2023
Last date for Registration: 10 Mar 2023

Note: It is compulsory to register at least one author for finally accepted paper.

SUBMISSION OF PAPERS

Paper submitted shall be original in nature and relevant to the conference. An abstract (max. words 1000) to be submitted with a title, contributing authors, presenting author, and affiliation, email address of the corresponding author (10 points times new roman).
